

*Christophe Francey, Managing Director SPIE ICS AG*

## Press release

### **SPIE ICS AG announces leadership changes to strengthen growth and service excellence in Switzerland**

**Berne, 24 January 2025** – *SPIE Switzerland, a subsidiary of the SPIE Group, the independent European leader in multi-technical services in the areas of energy and communications, announces new roles to strengthen its position as a trusted partner for ICT services and solutions across the country.*

Effective as of 1st of January 2025, Christophe Francey has been appointed as the Managing Director for SPIE ICS AG, expanding his role from his previous position as Managing Director for SPIE ICS AG's French-speaking region. Christophe brings over 20 years of experience in the ICT sector, leading with a vision for innovation and service excellence. His appointment reinforces SPIE ICS AG's commitment to delivering integrated solutions to clients across all regions of Switzerland.

Christophe Francey has welcomed into his team Stefan Schlächli as Chief Sales Officer (CSO) and Nicolangelo Biondi as Chief Service Delivery Officer (CSDO) as direct reports.

Stefan Schlächli's vast expertise and experience in strategic sales management extended over the past 16 years at SPIE ICS AG and his deep understanding of the Swiss market will help increase the company's growth objectives and expand its client base in key sectors.

Nicolangelo Biondi assumes the role of Chief Service Delivery Officer (CSDO). With a decade of experience in advancing operational efficiency and service quality at SPIE ICS AG,

Nicolangelo is dedicated to evolving service models that deliver greater value, responsiveness, and quality to clients. He will play a major role in meeting the ever-evolving needs of SPIE ICS AG's clients with state-of-the-art solutions.

Commenting on these changes, Pierre Savoy, CEO of SPIE Switzerland AG, states: "These leadership changes mark an important milestone for SPIE ICS AG as we continue to grow our presence in Switzerland and deliver superior value to our clients. With Christophe's strategic vision, supported by Stefan's sales expertise and Nicolangelo's operational excellence, we position ourselves well for the future, with a strong focus on service delivery and customer satisfaction."

### **About SPIE Switzerland**

As a subsidiary of SPIE Germany Switzerland Austria, SPIE Switzerland offers services in the areas of ICS (Information & Communication Services), MTS (Multi-Technical Services) and IFS (Integral Facility Services) with around 600 employees at 6 locations throughout Switzerland.

SPIE Germany Switzerland Austria is a subsidiary of the SPIE Group. With our broad expertise in the field of technical services, we are committed to achieving the energy transition and digital transformation alongside our customers.

The SPIE Group is the independent European market leader in multi-technical services in the areas of energy and communications. With more than 50,000 employees and a strong local presence, SPIE achieved consolidated revenue of €8.7 billion and consolidated EBITA of €584 million in 2023.
