### APPOINTEMENT

## Edgar Lehrmann appointed as new Chief Financial Officer of SPIE Switzerland

**Zurich, 30<sup>th</sup> August 2019** – *SPIE Switzerland, a subsidiary of SPIE, the independent European leader in multi-technical services in the areas of energy and communications, has appointed Edgar Lehrmann to the position of Chief Financial Officer effective on October 1<sup>st</sup>, 2019. He succeeds Michael Suderow and will therefore also be a member of the Executive Board of SPIE Switzerland.*

Edgar Lehrmann, 49 years-old, studied business administration at the Ludwig-Maximilian-University, in Munich. He worked for seven years at the Global Management Consulting Firm A.T. Kearney in Düsseldorf and Munich as a consultant in various industrial and banking sectors.

In 2003, he joined ATEL, in Switzerland, where he first headed the Credit and Business Risk Management department. Shortly after, he was entrusted with setting up the Shared Service Centers for the Group's key operational finance and support functions of the Group in the Czech Republic.

Since 2011, Edgar Lehrmann has held various management positions in Alpiq's finance division, most recently as Head of Group Accounting & Controlling and Deputy CFO, where, in addition to his operational responsibilities, he has also contributed to the development of strategic projects for the Group's repositioning.

*"With Edgar Lehrmann, we welcome a very experienced CFO who knows our business very well and has a great affinity for strengthening collaboration at European level within the Group", explains Pierre Savoy, CEO of SPIE Switzerland.*

The current CFO, Michael Suderow, is leaving the company at his own request to take up a new challenge. The Executive Board would like to thank Michael Suderow for his professional and dedicated commitment and wishes him all the best and much success for his private and professional future.

### **About SPIE Switzerland**

Subsidiary of the SPIE group, the independent European leader in multi-technical services in the areas of energy and communications, SPIE Switzerland is a provider of ICT, multi-technical and facility services.

Employing about 600 people from 9 locations across Switzerland, the divisions SPIE ICS (Information & Communication Services), SPIE MTS (Multi-Technical Services) and SPIE IFS (Integral Facility Services) provide solutions in the areas of 'Smart Cities', 'Energy', 'e-efficient buildings' and 'Industry Services'. Through the SPIE Group and the Global Workspace Alliance, SPIE Switzerland benefits from a global network to provide a full range of services, even to major international clients. These services are enhanced by an efficient service centre with 24/7 availability in four languages.

With more than 46,400 employees and a strong local presence, SPIE achieved in 2018 consolidated revenues of €6.7 billion and consolidated EBITA of €400 million.
